This one-of-a-kind destination is the showplace for many historic ships, including a ferryboat, lumber schooner, steam tugboat, and a square-rigged sailing cargo ship.

During our visit, we'll also marvel at the WPA murals, and explore a variety of photographs, documents and artifacts that open a window to the past.

SilverRide provides assisted transportation, engaging companions, personalized activities and group events for older adults who want to get things done, socialize and have enriching life experiences.
