

### Ceramics Annual of America

Fort Mason – San Francisco

Friday, September 10th  
1PM to 4PM

Price including refreshments & round-trip  
transportation: \$75/person

RSVP to 415-861-7433 by Sept 7th

This year, artists, educators and curators will meet in San Francisco for the very first Ceramics Annual of America. Here's a unique chance for us to tour one of the largest and most extensive exhibitions of ceramic art in North America.

The works of art on display will showcase the quality and diversity of the contemporary ceramics field.

### Yerba Buena Gardens Festival Concert

South of Market – San Francisco

Thursday, September 16th  
11:30AM to 2:30PM

Price including refreshments & round-trip  
transportation: \$60/person

RSVP to 415-861-7433 by Sept 13th

Here's a mid-day treat for your ears and your soul: an hour of songs by Latin Grammy-nominated Argentine vocalist Maria Volonté.

Critics and audiences around the world have praised her performances – filled with the intense passions and rich musical heritage of Buenos Aires.

### Mint Plaza Farmers Market

South of Market – San Francisco

Wednesday, September 22nd  
11AM to 2PM

Price including round-trip transportation:  
\$55/person

RSVP to 415-861-7433 by Sept 20th

We begin the fall season shopping for wholesome vegetables and delicious goodies at a local open-air Farmers Market. Our destination this time is one of the newest urban hot-spots: Mint Plaza.

Grab your empty canvas bags and join us as we wander among the produce bins in this attractive and upbeat location.

### Coyote Point Nature Museum

San Mateo

Tuesday, September 28th  
1PM to 4PM

Price including admission, refreshments & round-  
trip transportation: \$85/person

RSVP to 415-861-7433 by Sept 24th

Our museum pick for the month provides opportunities for education as well as some light exercise.

Among the highlights of the Nature Museum at Coyote Point are theme gardens, a walk-through aviary, and habitats for a variety of wildlife, such as golden eagles, bearded dragons, and of course, coyotes. How... natural!
